About the Hildan Drama Club

The St. Hilda's Secondary School Drama Club supports the passion of both male and female students in the arts. We attained the Distinction award for the SYF Arts Presentation in 2015, 2017 and 2019. In 2018, we showcased a double-bill with Paya Lebar Methodist Girls School. This is our MAD ABOUT DRAMA (MAD) production which we present on alternate years for the general public. The Hildan Drama Club is committed to helping our students realise their dramatic or arts potential and providing opportunities for our members to showcase their talent.

Drama Activities: E-CCA

With Covid-19 and the Safe Management Measures in place in 2020, the Hildan Drama embarked on E-CCA so as to ensure training continued. Our drama club coach introduced story-telling through zoom and how to use camera angles which was an interesting skill for our members to learn. We started off each zoom lesson with exercise as you can see from the bottom picture as well as voice training. It was an interesting experience that's for sure.
